"Our roster of outstanding speakers at this year's conference will enable robust discussions on timely and controversial aspects of science and religion," stated the Rev. Jeffrey Miller, Executive Director of Mere Anglicanism and Rector of the Parish Church of St. Helena, Beaufort, SC. "Since we were able to secure so many impressive speakers, we have moved the conference to a bigger venue which will accommodate both clergy and lay individuals."

In addition to individual speaker presentations, Dr. Kenneth Boa, President of both Reflections Ministries and Trinity House Publishers, will moderate a panel discussion with all speakers.

The cost of the conference is \$100. For complete conference details, speaker biographies, and to register online, visit: www.MereAnglicanism.com.
